Dear Sir,

I write in request of data , regarding a event that took place in a small village called Aracariguama in your country. A Mr. Joao Prestes Filho , was killed by a beam of white light. Mr. Filho was said to have been cooked by the light beam. A Medical doctor named Irineu Jase da Silveira , is said to have examined Mr. Filo,s body after his death. What information do you have on this event?

Your,s truly,
Mr. Donald W. Golding
